My Question is: _____

Thank you for understanding that the MD cannot take questions verbalized out loud at any time during the presentation, due to the HIPAA privacy laws. The reasons for this are complex, but in order to give you a CORRECT answer, the MD may need to ask you MORE questions of a sensitive nature that should not be asked in public. Dr. Carney does not wish to embarrass anyone nor violate their privacy.

Please write your questions here and hand these papers in NOW, as soon as possible before the presentation begins, so that Dr. Carney can try to answer as many questions as possible during her presentation by pulling slides from her database of answers to common questions. There is no obligation to put your name on this form, but if Dr. Carney is not able to answer your questions during our program, she would appreciate your contact information if you will permit her or her assistants to possibly contact you in the future.
